

Instilling ideals of honesty, loyalty, courage and sportsmanship through the sport of baseball since 1964.

Permanent Play-up/Play-Down Policy

All requests for a player to play-up a division or play-down a division shall come from a parent or division coordinator and shall be reviewed by the President.

Any movement within the Rally Cap Division, shall be at the discretion of the Rally Cap Coordinator.

The following considerations will be applied to all other requests:

1. Play up Requests

- a. Underage player in Rally Cap: Based on player ability, including ability to listen and participate without significant parent intervention. Player safety shall be a primary consideration.
- b. Rally Cap to Tadpole: Based on ability of player and weighing safety considerations of playing in either Division. Division Coordinators may also initiate such a request.
- c. Tadpole to Mosquito: Based on ability of player and weighing safety considerations of playing in either Division. In terms of assessing ability, player should be at the top of his/her current cohort in Tadpole. The player should also be assessed in relation to the first year Mosquito players with safety and development (Summerball opportunities) in mind.
- d. Play-up in PeeWee, Bantam, and Midget: As approved by the President. Such movement is considered to be extremely rare, and should only be approved in most exceptional circumstances.

2. Play Down Requests

- a. All Divisions: Reserved for only the most exceptional cases in situations that involve medical disabilities and significant risks to athlete safety, except that 1st year midget female players may apply to play an additional year in Bantam.
- b. Midget AA Overage Players: At the discretion of the Division Coordinator and Head Coach, with the approval of the President. Considerations shall include the necessity of the player to field a full team and any displacement of players of regular age.
