Travel Policy

Kamloops Minor Baseball has some teams that travel regularly to play in tournaments and for games, has some teams where travel is limited to a few events per season, and some teams where there is no travel other than local travel to the surrounding areas. Kamloops Minor Baseball prohibits all types of abuse, bullying, threats, harassment and hazing; as such, KMBA has established policies to guide our travel, minimize one-on-one interactions and reduce the risk of abuse or misconduct. Adherence to these travel guidelines will increase player safety and improve the player's experience while keeping travel a fun and enjoyable experience. We distinguish between travel to training, practice and local tournaments/games ("local travel") and team travel involving an overnight stay ("team travel").

Local Travel

- It is the responsibility of the parents to ensure the person transporting the minor player maintains the proper safety and legal requirements, including but not limited to: a valid driver's license, automobile liability insurance, a vehicle in safe working order, and compliance with applicable laws.
- The employees, coaches and/or volunteers, who are also not acting as a parent on the team, should not drive an unrelated minor.

Team Travel

- Regardless of gender, a coach shall not share a hotel room or other sleeping arrangements with a minor player (unless the coach is the parent or relative of the player).
- At no time should only one adult be present in a room with minor players, regardless of gender.
- Individual meetings between a coach and a player may not occur in hotel sleeping rooms and must be held in public settings or with additional adults present, with at least one of those adults being the same gender as the player.
- No coach or chaperone shall at any time be under the influence of drugs or alcohol while performing their coaching and/or chaperoning duties.
- Prior to any travel, the club and/or coaches will endeavor to make players and parents aware of all expectations and rules.
